\*Section 1

Date: \_\_\_\_\_

Name of Utility: \_\_\_\_\_ Telephone: ( ) \_\_\_\_\_

Address: \_\_\_\_\_

Name of Contractor: \_\_\_\_\_ Telephone: ( ) \_\_\_\_\_

Address: \_\_\_\_\_

\*Section 2

Attach the following documentation:

- Purpose of excavation, cut or opening (any items to be installed and, if a pipeline, what it will transport)
- Describe if traffic will be blocked or restricted and traffic control plan
- Location of proposed excavation, cut or opening (use street names, residence numbers, golf course holes and sketches)
- Schematic of Utility Line Distribution
- Indicate proposed start date and time and proposed end date and time
- Application fee (does not apply to Utility Franchisee)

(Per Ordinance No. 99-59A, all authorized work shall commence within six months after date permit is issued. If work is not begun immediately, the Utility must notify the City when the work will begin. Work must thereafter be continuously prosecuted.)

(Per Ordinance No. 99-59A, City Street Cut Specifications must be followed and repairs must be completed within 96 hours of completion of the work requiring the cut.)

Applicant: The purpose of this permit is to ensure compliance with the Street-Cut and Right-of-Way Ordinance. If you have any questions with regard to this Ordinance, contact the City of Woodcreek Telephone: (512) 847-9390. Mail or bring application with required information and fee to the City of Woodcreek: 41 Champion Circle, Woodcreek, TX 78676. Any changes in these plans must be resubmitted for approval.
